**Product Name:** H.C.B-A1763 FORD PETROL ENGINE TIMING TOOL KIT (1.0 ECOBOOST)

**Product Code:** H.C.B-A1763

**Product Category:** Timing Tools

**Product Description:** This kit contains tools vital for setting and locking the engine and for setting the position of the variable cam timing units.

**Product Features:**

- Includes timing bars and pins for setting the engine.
- Includes a dial indicator for setting the position of the variable cam timing units.
- Includes a timing light for setting the timing.
- Includes a timing belt for setting the timing.
- Includes a timing chain for setting the timing.
- Includes a timing belt tensioner for setting the timing.
- Includes a timing chain tensioner for setting the timing.
- Includes a timing belt guide for setting the timing.
- Includes a timing chain guide for setting the timing.
- Includes a timing belt cover for setting the timing.
- Includes a timing chain cover for setting the timing.
- Includes a timing belt pulley for setting the timing.
- Includes a timing chain pulley for setting the timing.
- Includes a timing belt sprocket for setting the timing.
- Includes a timing chain sprocket for setting the timing.
- Includes a timing belt tensioner pulley for setting the timing.
- Includes a timing chain tensioner pulley for setting the timing.
- Includes a timing belt guide pulley for setting the timing.
- Includes a timing chain guide pulley for setting the timing.
- Includes a timing belt cover pulley for setting the timing.
- Includes a timing chain cover pulley for setting the timing.
- Includes a timing belt pulley for setting the timing.
- Includes a timing chain pulley for setting the timing.
- Includes a timing belt sprocket for setting the timing.
- Includes a timing chain sprocket for setting the timing.
- Includes a timing belt tensioner pulley for setting the timing.
- Includes a timing chain tensioner pulley for setting the timing.
- Includes a timing belt guide pulley for setting the timing.
- Includes a timing chain guide pulley for setting the timing.
- Includes a timing belt cover pulley for setting the timing.
- Includes a timing chain cover pulley for setting the timing.

**Product Specifications:**

- Material: Steel
- Color: Black
- Weight: 1.5 kg
- Dimensions: 100 x 100 x 100 mm
